PRACTICE WORKSHEET B

COPYMASTER

Word Parts: Base Words,  
Prefixes, Suffixes, and Roots

**A. Directions:** Form a new word from each base word by adding any appropriate prefix and/or suffix. (At least one of your words should include a prefix, base word, *and* suffix.)

1. believe \_\_\_\_\_
2. balance \_\_\_\_\_
3. value \_\_\_\_\_
4. view \_\_\_\_\_
5. place \_\_\_\_\_

**B. Directions:** Create a new word by adding a prefix and/or suffix to a base word or root. Word parts may be used more than once. At least *three* of your words should include *all* three types of word parts.

| Prefix                  | Base/Root     | Suffix               |
|-------------------------|---------------|----------------------|
| <i>co- (con-, com-)</i> | <i>-ject-</i> | <i>-able (-ible)</i> |
| <i>de-</i>              | <i>-port-</i> | <i>-ion (-ation)</i> |
| <i>sub-</i>             | <i>serve</i>  | <i>-ure</i>          |
| <i>re-</i>              |               | <i>-er (-or)</i>     |
